Case Study

MetalWorks Open Cell

Helping to Shape The Retail Experience
at Baby Bunting, Doncaster, Victoria

Retail designs that work!

Established in Melbourne as a family-owned business more than 40 years ago, Baby Bunting is Australia's largest nursery retailer and one-stop-baby shop.

The opening of Baby Bunting Doncaster marks a new milestone for the retail giant, as it's the first store within a Westfield Living Centre and also the launch of an exciting new brand re-fresh

"Clarity Interiors worked together with both Armstrong and the Client to provide a solution that met the ventilation requirements of the Fire Engineering Report for this tenancy.

Obviously visual appearance is critical in any retail store and the white Open Cell on Suprafine grid with black backdrop has a striking effect which has been well received by all."

Andrew Cain, Director, Clarity Interiors
