1. Wood Effects finishes above are indicative only and may vary from the actual product.
2. Wood Effects finishes are not recommended in areas where there are high levels of critical or glancing light.
3. Wood Effects finishes closely simulate a natural timber appearance and a variation can be expected in the wood pattern and shade between adjacent panels.
4. Contact your Armstrong representative for special Wood Effects pricing and minimum order requirements.

RAL Custom Colour Palette

The following RAL Colours are available for special application on Soundscapes and Optra ceiling panels.

- Notes:**
- RAL is an international system of colour palette, mostly used in wet paint.
 - Metallic colours are not available.
 - Shade may vary from actual product.
 - Contact your Armstrong representative for special RAL colour pricing, minimum order requirements and also custom colour matching requests.
 - Refer to the [RAL website](#) for the full RAL colour range.
